R.E

What does it mean for Christians to believe that God is holy and loving?

Maths

Place Value

Addition and Subtraction
Statistics

Science

Topic focus – To learn about the Earth and space.

Launch Activity – Trip to 'We The Curious', workshop and planetarium experience.

We will learn the order of the planets and about how they move in the solar system. We will describe the movement of Earth and other planets and describe the shape of the Sun, Moon and Earth. Using the idea of the Earth's rotation, we will explain day and night and the movement of the Moon relative to the Earth,

Forces- We will use Phizzy forces to investigate air resistance, drag, friction and gravity.

P.S.H.E
