

English

We will look at a variety of genres and use known texts to craft our Fiction – Fantasy stories, Charlie and the Chocolate Factory. Poetry, reading different types of poetry and writing our own.

Science

We will be investigating sound and learn about how sounds are made and how we hear. We will also be creating electrical circuits using the snap circuit sets.

R.E

We will explore Islam and Judaism and answer two main questions:
How do festivals and worship show what matters to a Muslim?
How do festivals and family life show what matters to Jews?

Mathematics

We will be learning how to multiply and divide using mental and formal written methods. We will also be developing our knowledge on decimals and fractions and on area.

The Sound of Music: What is sound and how do we hear it?

MFL

We will be learning how to say members of our family in French. We will also be learning the French names for pets.

Art

We will look at the artist Wassily Kandinsky and how his art is inspired by music. Then create some of our own music inspired art.

Computing

We will be Exploring Robots and using computational thinking to use logical reasoning to solve problems.

DT

Linking with science. we will make a 'Room in a Box' using a circuit to make a light switch.

P.E.

We will continue with swimming. Dance instruction will be led by Gloucester Schools Sports Network, where we will learn some choreographed pieces and how to add our own movements, appropriate to the music.

We will be doing some gymnastics, covering balances, reflective partner work and posture.

PSHCE

(Personal, Social, Health and Citizenship Education)

Our focus this term will be Mental Health and Well being, how to look after our mental health.

We will have a visit from the life bus.

Music

We will be focusing on the Soul/Gospel song 'Lean on Me' by Bill Withers, singing, listening, appraising and playing accompaniment.
