

Home Schooling Weekly Outline

Class: Thames and Severn Date: w/c 22/06/20

<p>English 1 hour per day</p>	<ul style="list-style-type: none"> • Read for 20 minutes (a book of your choice or Bug Club) • Daily BBC Bitesize Year 5 English lesson for this week– containing reading, writing and SPaG activities: https://www.bbc.co.uk/bitesize
<p>Maths 1 hour per day</p>	<ul style="list-style-type: none"> • TTR • Daily White Rose week 9 resources that focus on subtracting, multiplying and dividing decimals. • Use the videos and then the daily worksheets. On Friday, use the BBC Bitesize daily lessons and Twinkl sheets (week 6) to practise any ideas from the week that you were unsure of. <p>https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-1-Subtracting-decimals-with-the-same-number-of-decimal-places.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-1-Answers-Subtracting-decimals-with-the-same-number-of-decimal-places.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-2-Subtracting-decimals-with-a-different-number-of-decimal-places.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-2-Answers-Subtracting-decimals-with-a-different-number-of-decimal-places.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Multiplying-decimals-by-10-100-and-1000.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Answers-Multiplying-decimals-by-10-100-and-1000.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-4-Dividing-decimals-by-10-100-and-1000.pdf https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-4-Answers-Dividing-decimals-by-10-100-and-1000.pdf https://www.bbc.co.uk/bitesize</p> <p style="text-align: center;">24 Challenges for the week: suggest one per day!</p>
<p>Topic 1 hour per day</p>	<p>Topic work Y5 week beg 22nd June 2020.</p> <p>This week's topic work is focused on Art and how water is conveyed in paintings. We will explore techniques this week with some activities to try out. Here is a schedule you can follow:</p> <p>Monday: Colour mixing: Using the link provided, (https://www.faspaints.com/free-paint-colour-mixing-guide-for-kids.html), draw your own colour wheel and, using paints or on a suitable computer based programme (such as Paint), experiment and learn how to mix primary and secondary colours. How many different colours can you mix?</p> <p>Tuesday: Using what you did yesterday, choose some colours to represent water: watch two videos about painting waves and see if you can try this yourself: https://www.youtube.com/watch?v=-9uRdBWnspY and https://www.youtube.com/watch?v=zBOnEhb2T00</p> <p>Wednesday: Using only pencils, explore "tone" by how light and dark you can make shading. Try shading a picture of water in a river or a pool (see water pictures to help). See also these videos about pencil shading: https://www.youtube.com/watch?v=U5mkDrjH-hg https://www.youtube.com/watch?v=9rK5CAZdQZY and this one which gives an example of a simple seascape: https://www.youtube.com/watch?v=UYAeOEA1IY or this one: https://www.youtube.com/watch?v=JE_IQVixR9Q</p> <p>Thursday: Explore 'tone' using paint: using one colour at a time, try adding different amounts of black and white paint to it to vary how light or dark the colour becomes. This gives shades (using black) and tints (using white). How many differing shades and tints can you find? (this can be achieved to some extent using chalks too). Here is a useful video: https://www.youtube.com/watch?v=xX1zs7yhSp8</p> <p>Friday: using an image from memory or from the Internet, try to draw and then colour water in a river, or in the sea or lake or pool. (Example images of water are found in an attached PPT). use only one or two colours- eg, blue or green, to show different shades and tints.</p>
<p>Other</p>	<p>This is week 4 of your biographies. Please use the suggested structure posted on 1st June to help.</p> <p>Also, You might have seen on the School Story that I put a link to the Youth Sport Trust who are teaming up with Sky Sports to offer home sporting challenges for National Sports Week next week. Check it out! https://www.youthsporttrust.org/national-school-sport-week-home</p>
