

Home Schooling Weekly Outline

Class/date: Year 4 WB 29.6.20

<p>English 1 hour per day</p>	<ul style="list-style-type: none"> • Daily BBC Bitesize lesson – containing reading, writing and SPaG: https://www.bbc.co.uk/bitesize • Pobble 365 (You can choose which suggested activity you would like to do. You might like to develop one activity over a few days or complete smaller shorter daily activities.) https://www.pobble365.com/about-to-hatch/ https://www.pobble365.com/the-greatest-library-2/ https://www.pobble365.com/solitary-existence/ • Bug club reading /own book from home (15 minutes a day)
<p>Maths 1 hour per day</p>	<ul style="list-style-type: none"> • Daily BBC Bitesize lesson – different units covered daily: https://www.bbc.co.uk/bitesize • Times Table Rockstars (5 minutes every day) • White Rose maths Summer week 10 (Links will be posted on class dojo page. You do not need to print the activity sheets, you can complete the work on paper)
<p>Topic 1 hour per day</p>	<p style="text-align: center;">Computing Focus</p> <p>This week we suggest that you become detectives and take on some code cracking challenges. This activity leads on from the VE Day celebrations and links with other skills used in the war. Use the link below, click on 'Interactive Games' then select 'Code Cracking game'. https://www.barefootcomputing.org/homelearning</p> <p>Suggested follow up tasks:</p> <ul style="list-style-type: none"> • Create a glossary of the new words that you have learned e.g. Ciphers <ul style="list-style-type: none"> • Make up your own secret code and write some messages using it. • Write a review of the game. What did you like/dislike? Would you recommend it to your friends? How would you improve it? • Try some of the other Interactive Learning Games and tell us which is your favourite. <p>BBC Bitesize also has lots of information on different aspects of computer science e.g. What makes a good computer game? What is an algorithm? How does the internet work? etc https://www.bbc.co.uk/bitesize/subjects/zvnrq6f</p> <p>Pick one that interests you. Take notes of key points whilst you watch videos and read then create a poster or information booklet showing what you have learned. Or perhaps you might like to use technology and create a video, presentation or quiz using Kahoot / Powerpoint. We look forward to being amazed.</p>
<p>Other</p>	<ul style="list-style-type: none"> • For those children who aren't in school, teachers will post at least 1 video per week – story or an activity to do. This will be available via Class Dojo pages. Your teachers will announce when this will be • Please continue to post photos and videos to your individual portfolios. Teachers will respond when they're not in school. This may be different for each class.
