

### Science

We will be identifying that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Also, identifying that humans and some other animals have skeletons and muscles for support, protection and movement.

We will then investigate different types of rocks.

### English

We will be studying the book 'The Happy Prince' and our focus is on using effective sentences in a fairy tale. We will write an Autumn Poem and then investigate non-fiction recounts and the discovery of Tutankhamen!

### Mathematics

We will be focussing on the understanding of number including Place Value of hundreds, tens and ones in numbers to 1,000.

We will then move on to addition and subtraction including mental methods as well as formal written methods.

### Geography

We will be locating continents, the Equator, the tropics, the hemisphere and Egypt. We will be studying the River Nile, creating a map of Egypt and locating important landmarks like the pyramids.

### P.S.H.C.E

We will look at rules and the need for them, explore the use of Gemstones for our health and wellbeing and the relationships we have with others. We will look at valuing differences, financial capability and road safety.

### ICT

In ICT we will be creating PowerPoints and inserting images and sound files

We will then research Ancient Egypt with minimal adult input and share their learning with others. they will then go on to answer questions about the topic.

## **Tomb Raiders Autumn Term Year 3**

### **What was it like to live in Ancient Egypt?**

### MFL - French

(Modern Foreign Languages)

We will be learning numbers to 10, common greetings and classroom instructions. We will begin to ask for and give our name.

### History

In History, we will do an in depth study of the Ancient Egyptians. We will learn about who built the pyramids and the discovery of Tutankhamen's tomb. We will then look at the achievements of the earliest civilizations gaining an overview of where and when the first civilizations appeared.

### Art

We will begin with colour mixing using paint. We will look at the works of artists for inspiration and look at how the Egyptians' painted their tombs. We will paint an Egyptian wall painting based on the story of 'The Blue Hippo'.

### Music

Charanga- Glockenspiel !  
We will learn to play the glockenspiel and know what a minim, crotchet and semi-breve are. WE will improvise and compose our own music.

### DT

In DT we will study Levers and Linkages and investigate different objects that use a lever and pivot. We will investigate how a shaduf works and design and create a miniature working shaduf.

### R.E

We will be thinking about what Christians learn from the creation story. We will then move on to think about what is it like for someone to follow God.

### P.E

This term in PE we will be playing hockey, developing our core skills in RE PE and we will then learn a Dance based on the Egyptians!
