We'd love to see some of your inspiring ideas. We often follow the children's ideas 'in the moment' at school.</p>	<p>Read and watch some different 3 Little Pigs stories. Are they all the same? How are they the same and how are they different? Which is your favourite ending?</p> <p>Think about the Wolf. What does he look like? What does he sound like? How does he move? Can you move like him?</p> <p>Draw a picture of the wolf and ask a grown up to write down the words you have thought of to describe him.</p> <p>Create some 'Huff and Puff' pictures! Place drops of different coloured 'watery paints' on a piece of paper. Using a straw, carefully blow down the straw and watch the paints as they move to create pretty patterns. What patterns have you made?</p> <p>What does the wolf say? Write it down in a speech bubble. Eg: I will huff. I will puff.</p> <div style="text-align: center;">  <p>I will huff.</p> </div> <p>Have a go at writing some of the story.</p>
