

CHURCHDOWN PARTON MANOR SCHOOLS' FEDERATION ATTENDANCE POLICY

Date of policy	Spring 2023
Review date	Spring 2025
Staff responsible	Head Teacher

Equalities Statement

Churchdown Parton Manor Schools' Federation provides an education for all, acknowledges the society in which we live, and is enriched by the ethnic, cultural and religious diversity of its citizens. The school strives to ensure that the culture and ethos of the school are such that, whatever the heritage, origins, faith, age, gender, sexuality and ability of members of the school community, everyone has the right to equal chances, is equally valued and treats one another with respect so that all pupils and staff are encouraged and supported in achieving their full potential. We provide pupils with opportunities to experience, understand and celebrate diversity, actively tackle all instances of unlawful discrimination and strive for equality of opportunity and good relationships to permeate all aspects of school life:

- attainment, progress and assessment
- behaviour, discipline and exclusion
- admission and attendance
- curriculum
- personal development and pastoral care
- teaching and learning
- working with parents / carers and communities
- staff recruitment and professional development

Safeguarding Statement

The named person with responsibility for child protection (Designated Safeguarding Lead – DSL) in our school is the Assistant Head Teacher, who liaises with a named Governor. If the DSL is not available, we have a number of Deputy Designated safeguarding Leads (DDSLs). We will follow the procedures for child protection drawn up by the Local Authority (LA) and the Governing Body.

If any person suspects that a child in the school may be the victim of abuse, they should not try to investigate, but should immediately inform the Assistant Head Teacher about their concerns.

When investigating incidents or suspicions, the person responsible in the school for child protection works closely with social care, and with the Gloucestershire Safeguarding Children Partnership (GSCP). We handle all such cases with sensitivity, and we attach paramount importance to the interests of the child.

We require all adults who work in school to have their application vetted by the police, in order to check that there is no evidence of offences involving children or abuse. (DBS, Barred and Prohibition Checks).

All the adults in our school share responsibility for keeping our children safe. We may, on occasion, report concerns which, on investigation, prove unfounded. It is better to be safe than sorry and we trust that parents and carers, while they will naturally be upset, will nevertheless accept that the school acted in the child's best interests.

Accessibility Statement

We will strive to ensure that the ethos of the school is such that everyone is equally valued and treated with respect. Pupils will be provided with opportunities to experience, understand and value diversity.

All pupils should have access to an appropriate education that gives them the opportunity to achieve their personal potential, whatever their abilities and needs might be.

For further information, please see Safeguarding Policy.

1. Aims and objectives

At Churchdown Parton Manor Federation, we believe that improving attendance is everyone's business and that providing a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn is the foundation of securing good attendance. Working together to put the right support in place at the right time, in conjunction with all staff in school, parents/carers, pupils, Gloucestershire County Council and other local partners, we aim to remove any barriers to attendance by building strong and trusting relationships.

Regular attendance is fundamental to the future success of children. We expect pupils to be in school for every session of the school day and for every day that the school is open.

Our objectives are to promote good attendance, ensuring every pupil has access to the full-time education to which they are entitled. By acting early to address patterns of absence we aim to reduce absence, including persistent and severe absence.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). - Part 6 of [The Education Act 1996](#)

- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

4. School processes for recording attendance and absence

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of each morning session of the school day and at the start of the afternoon session. Registers will show whether each pupil is:

- present.
- absent – authorised or unauthorized.
- attending an approved off-site educational activity.
- absent in exceptional circumstances.
- no reason given (temporary code whilst a reason for absence is sought; must be changed within 5 days).

Pupils must arrive in school by 8.45am (infants), 8.50am (juniors) on each school day.

The register for the morning session will be taken at the start of the morning session and will be kept open until 9.00am The register for the afternoon session will be taken at the start of the session (1pm or 1.30pm dependant on year group).

4.1 Absence

The pupil's parent/carer must notify the school of the reason for an unplanned absence on the first day by 9.30am or as soon as practically possible by calling the school. Parents should call each subsequent day of illness.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/ carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. School may also make a home visit to check on the authenticity of the illness.

If the school is not satisfied about the authenticity, the absence will be recorded as unauthorised and parents/ carers will be notified of this in advance.

4.2 Late arrivals

After the doors have closed but before the register has closed, the pupil will be marked as late, using the late (L) code.

After the register has closed, the pupil will be marked as absent, using the unauthorised (U) code.

If a pupil is persistently late, school will:

- meet with parents to discuss our concerns and establish reasons for lateness.
- offer support where possible and encourage parents/ carers to find ways to overcome reasons for lateness.
- offer rewards to the pupil – sticker charts/ certificates if it is felt this will help the pupil.
- inform parents (Appendix 2) that continued lateness may result in a penalty notice being issued.

4.3 Planned absence

In some cases, pupils will have a planned absence. These may be authorised if there is a valid reason.

Valid reasons for authorised absence:

- illness and medical/dental appointments
- religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.
- flexi schooling as agreed with the Head Teacher.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Parents are advised that the child should only be out of school for the minimum amount of time necessary – only an appropriate amount of time will be authorised.

Parents should complete the medical appointment form (Appendix 3) which is available from the office.

We encourage parents/carers to make medical and dental appointments out of school hours where possible.

For all other planned absences, parents should complete the 'Request for leave of absence form' (Appendices 4 & 5). The Head Teacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Head Teacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as including:

- service personnel where an individual will not be in receipt of any leave in the near future that coincides with school holidays
- an absence recommended by a health professional as part of rehabilitation
- the death or terminal illness of a person close to the family
- the funeral or wedding of a person close to the family
- other circumstances that the Head Teacher considers exceptional

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and where possible, at least 7 days before the absence, and in accordance with the school's leave of absence request – the form may be collected from the school office. The Head Teacher may require evidence to support any request for leave of absence.

4.4 Authorised holidays

At the Head Teacher's discretion there may be occasions when a holiday is authorised. Parents should complete the appropriate paperwork available from the school office (Appendices 4 & 5) If the holiday has met the Head Teacher's criteria and has been authorised, the holiday code (H) will be marked in the register.

4.5 Procedures following unexplained absence

In the case of unexplained absence, the school will call or send a message to the pupil's parent/ carer on the first morning of absence to ascertain the reason. If the school cannot make contact a message will be left for the parent/ carer to call the office as soon as possible.

School will continue to try to make contact with the parent by calling daily, sending a text/Dojo message or email and may also attempt to make contact by visiting the home address. School may contact the police, social care and the GCC Inclusion team at any point at which it becomes concerned for the welfare of the pupil. School may also contact other schools that siblings are known to attend or other points of contact as listed on the pupil's records.

When the pupil returns to school, if a reason for absence has not been forthcoming, an 'unexplained absence' form/ letter (Appendix 6) will be sent home with the pupil, to be returned within 5 days.

If school believes that a pupil was on holiday which was not requested a further letter (Appendix 7), explaining the possibility of a penalty notice, will be sent home.

If the absence remains unexplained, it will be coded as O in the register. If there is a reason for absence, the appropriate code will be entered into the register.

School will, if necessary, follow the guidelines from GCC if a child becomes 'missing in education'.

5. Strategies for promoting attendance

The school will continually seek to improve attendance by:

- posting regular newsletter reminders to parents.
- giving reminders in assemblies about the importance of attendance.
- sending Dojo reminders to parents.

6. Attendance data monitoring, reporting and analysing

The school will:

- inform parents of their child's attendance levels in the pupil end-of-year reports and at any point at which the school is concerned.

- monitor attendance and absence data half-terminly across the whole school and more frequently at an individual pupil level if there are concerns.
- identify whether there are particular groups of children whose absences may be a cause for concern.
- analyse attendance and absence data regularly to identify pupil or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families.
- look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.
- provide regular attendance reports to school leaders and class teachers to facilitate discussions with pupils and families.
- use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

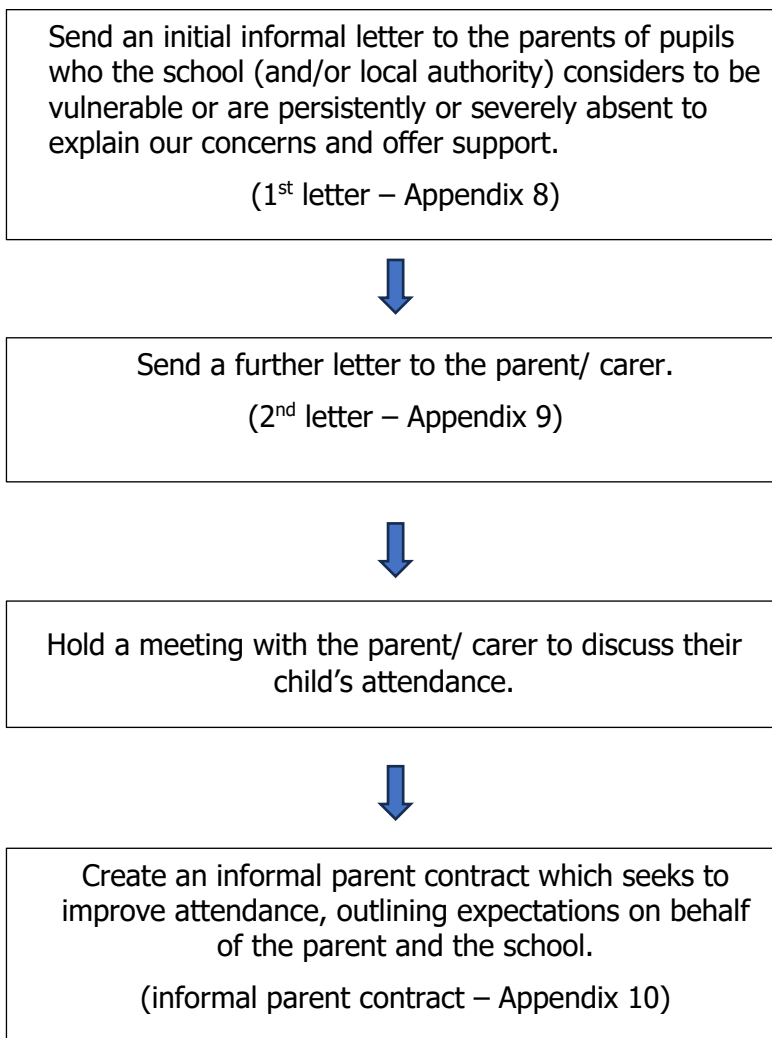

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

7. Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will use attendance data to find patterns and trends of persistent and severe absence.

The school will follow the following steps to improve persistent or severe absence:

Provide access to wider support services (e.g. Early Help, family support) to remove the barriers to attendance if necessary.

Formalise support or use legal sanctions, in conjunction with Gloucestershire County Council. The initial stage of the legal process is the Attendance Improvement Meeting (AIM) followed by engagement with social services, Education Supervision Order or consideration of attendance prosecution in the Magistrates Court.

(AIM plan – Appendices 11, 12, 13)

8. Legal sanctions

The school can request Gloucestershire County Council to issue a fine to parents for the unauthorised absence of their child from school, where the child is of compulsory school age. Fixed penalty notices are issued in accordance with the Local Authority Penalty Notice Code of Conduct Attendance - Schoolsnet (gloucestershire.gov.uk).

If issued with a fine or penalty notice each parent must pay £60 (per child) if paid within 21 days rising to £120 thereafter. If not paid within 28 days, the Local Authority can decide whether to prosecute or withdraw the notice – note there is no right of appeal in court by parents against a fixed penalty notice.

In Education Law (Section 576 of the Education Act 1996) 'parent' means:

- all natural parents, whether they are married or not.
- any person who has parental responsibility for a child or pupil.
- any person who has care of a child or pupil i.e., lives with and looks after the child.

9. Links to other policies and monitoring arrangements

This policy links with:

- Child Protection and Safeguarding
- Behaviour
- Special Educational Needs and Disabilities

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years.

Re: The Education (Penalty Notices) (England) Regulations 2007

Warning of penalty notice for persistent lateness after the register has closed

Under the Education Act 1996, parents have a duty to make sure their children regularly attend school. If parents fail to do this, they can be prosecuted.

Working within an agreed Code of Conduct, the Local Authority can issue a penalty notice to parents if a child has missed a number of sessions without permission from the school ie the absence is unauthorised. Lateness, after the register has closed, is classed as an unauthorised absence.

(Name) has been marked absent from school, due to lateness, for () sessions in the previous () weeks without prior authorisation or an acceptable reason being given to the Head Teacher. Please note there are normally two sessions in each school day.

This absence has therefore been recorded as unauthorised in the school register.

I need to inform you that the level of (Name's) unauthorised absence places you at risk of a penalty notice and/or court action by the Local Authority.

Providing there are no further unauthorised absences within the next fifteen school days, which will start two days after the date of this letter (to allow for receipt of letter) a penalty notice will not be issued on this occasion.

I must also draw your attention to the fact that should (Name) have more unauthorised absences related to lateness within the next twelve months following this warning letter, you may receive a penalty notice without further warning.

Yours sincerely

Appendix 4 Request for leave of absence letter and form

Request for a leave of absence during term time

Parents should be aware that the law does not grant parents an automatic right to take their child out of school during term time. The Department for Education allows a Head Teacher the discretion to consider authorising a leave of absence in term time only in "exceptional circumstances".

You may consider that a holiday will be educational, but your child will still miss out on the teaching and learning that their peers will receive whilst your child is away. Children returning from a leave of absence during term time are also unprepared for the lessons which build on the teaching they have missed and arrangements need to be made for individual children to catch up on missed work. Disruption to the continuity of teaching and learning is something we all have a responsibility to avoid.

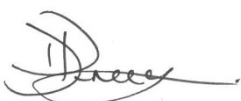

If requesting a leave of absence, you will need to complete the form on the reverse of this notice, setting out the reasons. If the holiday is not considered to be an exceptional circumstance it will not be agreed. If you nevertheless take your child out of school for the leave of absence, this will be recorded as **unauthorised absence**.

In the case of an unauthorised absence the Head Teacher may request that the Local Authority issue a Fixed Penalty Notice without further warning to the parent. Please note that such a penalty is issued to each parent for each child taken out of school. A Penalty Notice is a fine of £60 if paid within the first 21 days which increases to £120 if paid between 21 and 28 days. Thereafter, if the penalty remains unpaid this may lead to prosecution through the Magistrates' Court.

All leave of absence requests should be completed on the attached form by the parent with whom the child ordinarily resides. This should be returned to the school at least seven days before the start of the holiday. All requests must be made prior to the leave being taken. Leave cannot be authorised retrospectively.

I hope you will support our efforts to maintain good levels of attendance and attainment.

Yours sincerely

Dear (parent's name)

Re: Leave of absence without request

Child(ren)'s Name(s):

Date(s) of Birth:

I am aware that your child(ren) was/were absent from school from (date) to (date). I have tried to contact you with regard to these absences but have been unsuccessful and now understand that you were on a family holiday. I believe this to be the case because.....

As you will be aware, as of 1st September 2013, schools are no longer able to grant any leave of absence in term time unless there are exceptional/unavoidable circumstances. It is also stated in our school policy that all requests for leave of absence should be made in writing, in advance of the proposed absence.

As we are unaware of any exceptional circumstances that might apply, the absence has **not been authorised**. However, if you feel that the absence was due to an exceptional circumstance or illness, please provide supporting evidence to this effect no later than (Date – **allow two weeks**) and I may be able to reconsider my decision.

I must warn you that failure to ensure your child's regular attendance at school is an offence under Section 444 of The Education Act 1996. The Supreme Court Judgement from 2017 (Isle of Wight Council v Platt [2017] UKSC 28) has determined that 'regular' means 'in accordance with the rules prescribed by the school'.

If the reasons given for your child(ren)'s absence from school are not considered to be exceptional (and therefore the absence is unauthorised) then I may request, without further warning, that the Local Authority take legal proceedings against you for your failure to comply with the law. This may result in:

A Penalty Notice requiring the payment of a penalty of up to £120 per parent per child. Failure to pay the penalty due may result in prosecution before Magistrates Court.

Please refer to the school's attendance policy (available on our website and in hard copy upon request) and Gloucestershire County Council's website for further information.

If you wish to discuss this further, please do not hesitate to contact me.

Yours sincerely

Dear

I have noticed that *****'s attendance has fallen below 95%. As stated in our school attendance policy any child's attendance which falls below 95% is closely monitored (*****'s attendance is currently ___%).

'We expect pupils to attend every day that the school is open unless a reason acceptable to the school is given and we are able to authorise the absence' (Attendance Policy 2023).

I fully understand that there are lots of different illnesses around and some children are more susceptible than others and at this time, we are just monitoring. Please do not be alarmed by this letter, we genuinely care about our children and want to offer support to you, before attendance becomes a barrier to their learning.

As mentioned in our school policy, please find enclosed Attendance Leaflets.

Please do not hesitate to contact me if you have any concerns as I am more than happy to help.

It has been brought to my attention that XXXX's attendance has dropped over the past few weeks. I know our Attendance Officer has written to you to say that we are monitoring XXXXX's attendance, but unfortunately it has continued to fall. I also notice there are a number of unauthorised late marks (U) in the register.

'We expect pupils to attend every day that the school is open unless a reason acceptable to the school is given and we are able to authorise the absence' (Attendance Policy 2023).

I would like to arrange a formal meeting with you and our Attendance Officer. I feel it would be beneficial to discuss ways of supporting you in regard to lateness and the medical issues XXXXX has been having.

I cannot stress how important it is for XXXXXX to be in school, regularly and on time.

Please contact the school office to arrange a mutually convenient day and time to meet.

Please do not hesitate to contact me if you have any questions.

Dear XXXXXXX

Unfortunately, despite having met with you, XXXXXX's attendance has not improved. We have offered lots of ideas for supporting XXXXX and yourself, but it has been difficult to make contact with you and at this present time nothing we have offered has been acknowledged. I now have no other option but to arrange a meeting with you, with the intention of setting up an Attendance Improvement Meeting plan.

As stated in our school Attendance Policy 2023 and in previous letters: 'We expect pupils to attend every day that the school is open unless a reason, acceptable to the school is given and we are able to authorise the absence'.

If a child of compulsory school age who is registered at a school fails to attend regularly at the school, then the parent is guilty of an offence under Section 444(1) of the Education Act 1996. There is a risk that if your child's attendance remains at the current level a referral may be made to the local authority, who will start a legal process.
