It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2022/2023, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2023** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/2022		Total fund allocated: £		Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed:	Sustainability and suggested next steps:
<i>To build physical and mental stamina and a sense of wellbeing by use of a physically active and creative PE/Enrichment curriculum by engaging as many children as possible in a range of sporting or active opportunities and clubs</i>	<i>Provide a range of opportunities for inter-house tournaments throughout the year to engage all pupils</i>  <i>#Letgirls play football initiative to encourage girls to try football</i>  <i>Ensure variety of sports clubs for all ages</i>  <i>Dance workshop for YR to Y5</i>		Supply cost - £172	<i>Throughout the year, children have taken part in four inter-house tournaments including hockey, benchball, football and rounders</i> <i>These events allowed all children to take part in competitive sport and were highly engaging to all.</i>  <i>All girls have tried #Letgirls play which helped to inspire some children to try something new.</i>  <i>A wide range of clubs were offered to ensure inclusivity though some clubs were directly linked to tournaments and leagues. This resulted in significant successes in certain sports (detailed below)</i> <i>Clubs include cross country, rounders, hockey, cricket, netball and football</i>	<i>Continue to provide opportunities for all children through staging inter-house tournaments;</i>  <i>Re-enter girls' football initiative should the opportunity arise;</i>  <i>Continue to offer a range of clubs</i>  <i>Enlist the help of local secondary school children to help foster links between schools.</i>

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				%
